

STATEMENT OF PURPOSE

RS20469

This legislation places the responsibility and oversight of current and future poultry operations with the Idaho State Department of Agriculture. The legislation provides for the registration of current and future operations. It requires the utilization of Best Management Practices designed to protect the environment; which include but are not limited to, Nutrient Management Plans, soil sampling and appropriate record keeping.

FISCAL NOTE

Fees to cover the cost of the program will be assessed on the industry as established in 25-4010. There will be no impact to the General Fund.
